MORNING MEETING INFO ITEM

TO: DD/I
DD/S

DD/I noted that the Executive Director was scheduled to make a presentation before the FSI Course this morning and went on to ask whether arrangements had been made for a substitute. The Director asked the DD/S to look into the matter, and he subsequently reported that arrangements had been made for [redacted] to present introductory material describing the missions and general functions of the Agency. (Following the Morning Meeting it was determined that on 8 December arrangements were made with [redacted] of the Office of Training, resulting in [redacted] substitution.)
